

AGE EXCHANGE

Operational arrangements in 2012 during re-development of the Reminiscence Centre

The Reminiscence Centre will **close at lunchtime on Friday 23rd December** and will not re-open to the public until the building work is complete in November 2012.

This temporary closure will not affect the Bakehouse Community Library which will continue to be open to the public until it moves to its permanent new and larger location in the redeveloped Reminiscence Centre in 2012.

Apart from the Community Library continuing to operate in the Bakehouse for its advertised opening hours, café facilities will also be available in the Bakehouse between 2pm – 5pm on Monday and 11am – 5pm from Tuesday to Friday, the monthly programme of Bakehouse reminiscence events will continue as advertised and a selected number of other Age Exchange group activities which normally take place in the Reminiscence Centre will be temporarily located to the Bakehouse. More details of these activities will be advertised in due course.
